

GSK is sensitive to the needs of patients in the United States, Puerto Rico, and US Virgin Islands who struggle to afford healthcare services, including medicines and vaccines.

That's why we offer charitable Patient Assistance programs for our products.

GSK Patient Assistance Programs

provide medicines and vaccines at no cost to the patient. In order to qualify, patients must meet certain eligibility criteria, including:

Insurance status

be uninsured, have Medicare,* or have private insurance** and are unable to access certain GSK products prescribed by the patient's HCP due to lack of coverage

Location

live in the United States, Puerto Rico, or the US Virgin Islands

Income

meet financial income eligibility criteria

*For product specific Medicare Patient eligibility please visit www.GSKforYou.com

**Private insurance eligibility applies to Specialty and Oncology products only.

Visit GSKforYou.com to learn more and to see a list of covered products. Patients can also utilize the current enrollment forms on www.GSKforYou.com to confirm eligibility.
